TROOPS LOCATED BY SONGS.

Gen. Kryanowsky has tried the original experiment during the recent Austrian maneuvers of using the singing of songs as a means of ascertaining the whereabouts of the different companies of a corps d'armee. He commanded each battalion of the division to learn a certain song of war and to sing it when attacked. In this way he was enabled to discover when some distance off which battalion was being attacked by enemy. The songs consisted of old folk songs familiar to the men. To each battalion were attached a few musicians and drummers, who assisted the

MEETING HELD WITH MR. KIEBERG.

Congressman Kieberg had a meeting with committee from the Corpus Christi board of trade here last Monday, at which Mr. Kieberg spoke very encouragingly of the prospects of the early securing of deep water at Aransas pass, which the government has taken hold of. He said the government had done much good work at other places and Aransas pass was next in line. On account of Galveston's catastrophe, he thought there might be some delay in the work at Aransas pass, but it would be only temporary, the work of cutting a straight channel into Corpus Christi bay from Aransas pass would receive prompt attention as soon as the obstruction on the bar is removed. The dredging of an inland coast canal, he said was being considered by the government and urged that that the people of the entire coast country keep agitating the matter.—Corpus Christi Caller.

INDIGESTION, resulting from weakness of the stomach, is relieved by Hood's Sarsaparilla, the great stomach tonic and cure for DYSPEPSIA.

EASE AND DISEASE

A Short Lesson on the Meaning of a Familiar Word.

Disease is the opposite of ease. Webster defines disease as "lack of ease, uneasiness, trouble, vexation, disquiet." It is a condition due to some derangement of the physical organism. A vast majority of the "dis-ease" from which people suffer is due to impure blood. Disease of this kind is cured by Hood's Sarsaparilla which purifies, enriches and vitalizes blood. Hood's Sarsaparilla cures scrofula, salt rheum, pimples and all eruptions. It tones the stomach and creates a good appetite, and it gives vigor and vitality to the whole body. It reverses the condition of things, giving health, comfort and "ease" in place of "disease."
